

Henry P. Dicker

Senior Vice President – Client Engagement

Lowers Forensics International

Professional Summary

Henry P. Dicker is an experienced corporate officer with a deep, demonstrated track record providing consultative services globally in the legal information technology, compliance and services industries. Over the past 30 years, he has guided both corporate legal departments and Am Law 250 firms through the complex and rapidly changing business of law landscape.

Mr. Dicker has thirty years of experience in legal information technology, compliance, and services. In his career, he has guided corporate legal teams and Am Law 250 firms in the ever-changing legal and compliance landscape. Mr. Dicker has also created and brought to market scalable end-to-end cyber and data security product suites for both law firm and corporate clients and has partnered with leading risk management organizations to provide cyber and data protection.

At Lowers Forensics International, he focuses his efforts on building and expanding the litigation support portfolio in the areas of premises security and commercial damages.

Industries

- Electronic Discovery
- Data Security, Breach Protocol
