

Monika Perez

Vice President,
Lowers Forensics International

Professional Summary

The nature of a fast growing, dynamic profession attracted Ms. Perez to focus her career exclusively on forensics accounting. Working across a range of industries, she applies her accounting and investigative skills to evaluate property and cyber business interruption losses as well as disputes for clients in the insurance market.

Ms. Perez specializes in the evaluation of damages. She has handled a wide range of Energy & Mining matters. Ms. Perez has handled a variety of these engagements ranging across a multitude of different industries such as:

- Renewable Energy
- Hydroelectric
- Fossil Fuels
- Mining

Fluent in both English and Spanish, Ms. Perez has worked on a variety of claims throughout the United States and Latin America valued in excess of \$50 million.

Prior to joining Lowers Forensics International, Ms. Perez was at RGL Forensics and worked at C. Lewis & Company, LLP which serviced the insurance and legal industry. Her primary work experience is in insurance claim analysis, forensic accounting and litigation support.
